▶ FUNDES Internacional has a new portal

FUNDES ®

On the occasion of its 25th anniversary, **FUNDES Internacional-Foundation for Sustainable Development in Latin America** (Fundación para el Desarrollo Sostenible en América Latina) launched a new updated version of its portal. The renewed website provides a more efficient and user-friendly navigation through its contents offering updated information about the Latin American region with examples of success stories, news and best practices of the ten countries where FUNDES operates.

Have a look at the renewed FUNDES Internacional website:
